## Important information regarding failed payment fees

---

At Exetel we like to offer our customers the best value plans on the market. To do this we need to be able to debit your nominated bank or credit card account on the bill payment date we advise. If we receive a failed payment advice from your nominated banking institution we will pass on a failed payment fee as per our Terms & Conditions (Summary of Additional Charges).

To avoid this fee please ensure that your direct debit or credit card details are correct and up-to-date with sufficient funds available. You can check your current payment details by logging into My Exetel.
